

Become a Foster Parent

Take the first step toward foster parenting.

Call today: 314-534-9350, ext. 253.

Children's Permanency Partnership (CPP) provides foster care and adoption services to more than 500 children in the St. Louis region. CPP is committed to providing the highest quality services to help children and their families achieve stable, healthy futures.

To provide the quality of services these children deserve, CPP needs foster families as its partners. Foster parents are needed in:

- St. Louis City
- St. Charles County
- St. Louis County
- Jefferson County

Together, We Make a Difference

Be part of the difference.
Become a foster family.
Change a child's life.

Why Should You Be a Foster Parent?

Becoming a foster parent is an opportunity to give back to your community and make a difference in the life of a child. Family foster care offers many children and their families an opportunity to heal, grow and develop, and learn safe, nurturing ways of being a family.

Children who need family foster care services may have experienced neglect and/or abuse, homelessness, or chemical dependency, or they may have special medical circumstances. As a result, the children, like their parents, have a range of special and sometimes extraordinary needs.

Is it right for you? After the application, training and discovery process, potential foster families will have the knowledge and skills to make an informed decision about becoming foster parents.

Will I be supported? We'll be there to help you along the way.

- Bi-monthly support groups
- Monthly training to meet continual training requirements
- 24/7 accessibility to a Family Resource Specialist
- Respite care contacts
- Modest subsidy to assist with care

Initial Screening

- Clear Child Abuse/Neglect Record Check for everyone in the home, 17 or older
- Clear Criminal Record Check for everyone in the home, 17 or older
- Proof of income
- Proof of residency
- Ability to provide food, shelter, clothing and transportation
- Proof of educational compliance for children in the home, 16 and younger

Training:

- Initial home visit
- Nine sessions of STARS (three hours for nine weeks)
- Completed assessment
- Relicensing, which requires 30 hours of additional training every two years
