Visiting a spa is an easy way to take a break and treat yourself and a friend. From a rooftop spa with ocean views in Miami, to healthful spa cuisine in Phoenix, you pick how you want to enjoy your spa getaway. Choose from day spas, resort spas or medical spas, with treatments including massages, body scrubs, body wraps, water treatments, energy work, facials, manicures, pedicures, injectables, chemical peels and laser treatments (cellulite reduction, skin tightening, laser hair removal, photo-facials). Availability of treatments vary by participating location.

Recently added is an expanded listing of health and wellness facilities that accept the SpaFinder gift card, including dance studios, boot camps and Cross Fit locations across the country. **In most cases, the participating spa options will be at independent locations separate from the Hyatt where you are staying. Gift certificates must be redeemed at a single location.** The spa will issue a credit toward a future appointment if you don't use the full value on your initial visit.
