Believing in the power of potential...

Believe! It’s what we ask our clients to do every day. Believe in themselves and in their own strengths. It’s also what we ask our supporters to do. Believe in Youth In Need’s mission and in our ability to make a difference. They believed, you believed, and the result was a record number of children, youth and families served in 2011.

For our clients, success comes in all shapes and sizes. A homeless teenager sleeps in a warm bed for the first time in months. A New American family receives pre-school and supportive services in their native language. A teen mom gives birth to a healthy child. A child who has suffered unspeakable abuse has a counselor to support her through recovery.

Our 350-plus team of dedicated staff also believes in each child and family they serve, finding that, when they do, they are rewarded by seeing those children and families succeed. While success at Youth In Need can often be described as “one child at a time,” it’s no less powerful for those experiencing it.

All of this and so much more happened for more than 20,000 children, teens and families through eight programs at more than 40 locations in six counties. And all of this success happened because each and every one of you believed with us. Thank you!

### 2011 Year-End Net Assets

- **$4,303,251**

Financials are based on audited results for the year ending Dec. 31, 2011. Audited results are from Youth In Need’s auditors Brown Smith Wallace, LLC.

## Annual Highlights

### MARCH

The 24th annual Celebration of Youth raised a record $400,000 when it honored Susie and Art Johnson on March 19, 2011, at Ameristar Casino Resort Spa. More than 540 guests were in attendance and enjoyed a live auction that included a “Jet Set” vacation for three couples in a private eight-passenger Learjet 45! Nearly 100 volunteers shared their time to make Celebration of Youth a success.

### APRIL

- **St. Louis Rams front office staff** (including team mascot Rampage) volunteered several hours in the Monsanto Fund Science Discovery Garden, where they planted a tree, mulched, and engaged in activities with Head Start children.
- **Girlfriends for Good**, a group of friends who have adopted Youth In Need as part of their charitable efforts, took over the planning and execution of an annual trivia night to benefit Youth In Need. The first event raised $13,000 for Youth In Need!
- **The Community and Children’s Resource Board of St. Charles County** held its fifth annual Shower of Love collection drive, collecting new baby-care items at grocery stores throughout St. Charles County, including 34,609 diapers, 91,888 wipes and 302 cans of formula. The drive raised $60,000 in items and cash donations. Youth In Need was one of the beneficiaries.
- **Youth In Need** opened **Potentials**, the agency’s first social enterprise. The resale boutique, located in Creve Coeur, offers clothing in department store and designer labels for ladies, men and teens, as well as fashion accessories, furniture and home décor. Sales revenue directly benefits Youth In Need’s programs and services.
A warm bed. A counselor who listens. A fun and secure place to learn after school. A home free of violence. A pre-school program that builds strong foundations for little learners. A safe place to go during a crisis.

These are just some of the things that our children, teens and families are seeking when they come to Youth In Need. The assistance we provide changes lives, and we could not do it without you—our dedicated and compassionate supporters.

In fact, this past year, we served a record 23,224 children, teens and families searching for healing, support and basic needs. That’s a 100 percent increase in the number of clients we served in 2010!

The growth is due, in large part, to the $1.8 million in expansion funding we received from the St. Louis County Children’s Service Fund. Focusing our expansion efforts in St. Louis County, we provided transitional living services for homeless youth, street outreach crisis intervention and school-based counseling services for at-risk youth in seven different school districts. In fact, we are happy to report that the Children’s Service Fund decided to increase funding again for 2012.

The cornerstone of this expansion was the creation of an innovative, first-of-its kind helpline that provides multiple access points to services for young people in crisis. Launched in late 2010 as a joint endeavor between Youth In Need and Behavioral Health Response, the St. Louis County Youth Connection Helpline offers youth 24-hour crisis intervention via phone, text and local Safe Place sites.

As the regional provider of the national Safe Place program, we have extended the reach of our crisis intervention services in the community. By partnering with local businesses and training them to become Safe Place sites, youth are able to access crisis intervention quickly at locations comfortable and convenient to them. In 2011, we achieved the distinction of being the largest Safe Place provider in the country with more than 700 sites.

We also celebrated two grand openings in 2011. In April, we launched our first social enterprise as a way to provide additional sustainable revenue to the agency. Centrally located in Creve Coeur, Potentials resale boutique offers shoppers a wonderful mix of clothing and accessories for women, men and teens in designer and department store labels as well as furniture and home accessories. In May, we celebrated the grand reopening of our Wentzville Head Start and Early Head Start Center after damage from two severe summer storms closed the center the year before. Despite being closed for months of reconstruction, staff ensured that there was never a disruption in services to children and families.

And in December, we completed the full transfer of Children’s Shelter Care’s mission and resources to Youth In Need. In June, the Board of Directors of this wonderful organization chose Youth In Need to be the recipient of its assets upon its dissolution and to continue its mission of providing support for youth involved with the St. Louis County Court.

All of the accomplishments we celebrated in 2011 are thanks to an extremely dedicated Board of Directors, management team, service staff and, of course, you. We thank you—our incredible donors, supporters, sponsors, volunteers and staff—for your commitment and compassion. Because of you, we see Youth In Need’s mission come to life each and every day.

About Youth Update
Upon request, individual names may be placed on our mailing list. Please inform us of any address change or correction, or of those individuals who have moved, died or are no longer interested in receiving the newsletter. Please send this information, with the zip code of the previous address, to Youth In Need’s Development Office at development@youthinneed.org or 636-757-9347.

Please forward all communications with reference to editorial content to April Klutenkamper, Marketing Director, at 636-757-9330 or aprilk@youthinneed.org.

Youth Update
Amidst all Head Start programs in Missouri, and then won again among all programs in the Region VII Head Start Association (programs in Missouri, Iowa, Nebraska and Kansas). Michelle Ostman, a parent whose child attends the Warren County Head Start program, won the Ann Phipps Scholarship Award at both the state and regional levels. Support Dogs, Inc., the organization that trained and donated Youth In Need’s Head Start animal assisted therapy dog Waco, won the Humanitarian of the Year Award at both the state and regional levels.

**MAY**

- The Wentzville Head Start and Early Head Start Center reopened after two severe summer storms closed the center in 2010. Despite months of reconstruction, staff ensured there was never a disruption in services to the children and families they serve. Staff, elected officials, business partners and the local Chamber of Commerce celebrated in a rededication ceremony and ribbon cutting on May 18.
- A group of fathers from the St. Louis City Head Start and Early Head Start programs played an outdoor soccer match with their families cheering them on. One team was comprised of dads from the St. Louis City Center and the other from the home-based program. Sixteen dads participated in the match where the home-based team won with a shutout.

**AUGUST**

The 14th annual Golfing for Youth Benefit Tournament, with Title Sponsor Walgreens, raised $115,000 in support of agency programs. A record number of golfers endured an excessive heat warning during play at Whitmoor Country Club and then cooled off in the clubhouse, bidding on auction items and enjoying dinner.

**SEPTEMBER**

Metro Transit signed on as the newest and largest partner to join Youth In Need’s Safe Place program, designating more than 300 buses and trains as mobile Safe Place sites. The addition made Youth In Need’s program the largest in the country with more than 700 sites providing youth in crisis with access to services.

**NOVEMBER**

- Youth In Need proudly celebrated National Runaway Prevention Month (NRPM) in November. The month-long prevention and awareness campaign aims to raise awareness and educate the public about solutions to prevent youth from running away from home. Supporters recognized the month by replacing their porch lights with green light bulbs and by wearing green socks to raise awareness.

**DECEMBER**

- The second annual Not Your Grandma’s Trivia Night sold out and raised more than $7,800 for Youth In Need. Future Leaders – Youth In Need (FLYIN), the agency’s young professionals group, plans and holds the trivia night.
- Amdocs volunteers shared their holiday spirit at the Emergency Shelter, when they served up a full Thanksgiving meal for Shelter youth. Volunteers also spent some time in the Monsanto Fund Science Discovery Garden sanding and staining the playground structure there.
- Youth In Need finished the work of transferring the mission and resources of Children’s Shelter Care into Youth In Need’s care. The Children’s Shelter Care Board of Directors selected Youth In Need earlier in the year to receive its assets upon its dissolution and thereby continue its mission of providing much-needed support for youth involved with the St. Louis County Juvenile Court.
Community Involvement

Our supporters are responsible for donating more than one million dollars to support the agency’s programs and services. But our supporters also give incredible amounts of time and thousands of dollars of donated goods to keep programs running at their best.

In 2011, more than 1,100 individuals volunteered more than 13,000 hours with Youth In Need.

Whether volunteers commit to a long-term project or just have a few hours to give, the impact is great. Last year, volunteers did everything from serving on Youth In Need’s board of directors, young professionals group, and event planning committees to landscaping, facility improvements, professional mentoring and reading to pre-schoolers.

Having more than 40 locations that serve more than 20,000 children, teens and families means there’s an equally large list of supplies needed to keep programs running smoothly. Donors have connected with Youth In Need by collecting toiletries, household items, school supplies and holiday gifts—all of which give children and families some comfort and reassurance.

In 2011, supporters also donated more than $17,000 in school supplies to the Adopt-A-Class drive, which ensures book bags and classrooms are stocked for learning. Businesses, individuals and community organizations also donated nearly $100,000 in toys, clothing and educational items to Youth In Need’s annual Holiday Drive. With additional thanks to 93.7 The Bull’s second annual Boatload of Toys drive, Youth In Need was able to ensure that every child and family it served received some form of holiday assistance. More than 80 individuals and organizations donated directly to the holiday drive, and 100 volunteers collected or sorted toys during the drives.

Many of our volunteers and donation drive organizers come to us by way of the Safe Place program. As the largest provider of Safe Place in the country, nearly 800 stationary and mobile sites offer a temporary haven to children and teens in crisis. These youth friendly businesses are an entry point for youth to access any number of services at Youth In Need and throughout the community. In 2011, 235 youth received help through a Safe Place.

Memorials

Memorials and tributes are meaningful gifts Youth In Need receives. We appreciate these donors who remembered Youth In Need even as they reached out to friends and loved ones in times of joy and sorrow.

This list includes gifts received between Jan. 1, 2011, and Dec. 31, 2011, and does not include engraved brick purchases for the Monsanto Fund Science Discovery Garden. We have made every attempt to list names accurately. We regret any errors or omissions. If your name is in error, please contact the Development Office at 636-757-9347.

**Head Start Annual Report**

As part of our grant with the U.S. Department of Health & Human Services Administration for Children & Families, Youth In Need’s Head Start programs produce an annual report of activities each year.

A full report of Youth In Need’s Head Start and Early Head Start enrollment and program activities can be found on our website at www.youthinneed.org. Click on “News & Events” and then “Publications.”

**Head Start by the Numbers...**

**St. Charles, Lincoln Warren and Montgomery Counties**

**Head Start Enrollment**
Total number of children served: 493

**Early Head Start Enrollment**
Total number of children served: 466 children and 32 pregnant mothers

**Parent Volunteers**
Total number of parent volunteers: 1,083

---

**St. Louis City**

**Head Start Enrollment**
Total number of children served: 484

**Early Head Start Enrollment**
Total number of children served: 146 children and 8 pregnant mothers

**Parent Volunteers**
Total number of parent volunteers: 531
Total number of parent volunteer hours: 190,263

---

**Total number of parent volunteers: 1,083**
Mission Champions and Visionary Leaders

Commitment. There is nothing more important to the long-term stability of a nonprofit organization. And to that end, Youth In Need has created two societies to recognize wonderful supporters who have made a major investment in Youth In Need’s programs by supporting the organization with their extraordinary generosity.

Youth In Need’s “Mission Champions” are those benefactors who have generously given at least $500,000 cumulatively through annual giving, capital campaigns or legacy giving (through Dec. 31, 2011). “Visionary Leaders” are those special donors who have provided cumulative financial support to Youth In Need’s annual fund, totaling $100,000 or more in lifetime giving (through Dec. 31, 2011).

To both groups, thank you for your commitment to the children, teens and families we serve and for always believing in the power of potential!

Mission Champions
DiAnne and Harold Burkemper
Jerry Scheidegger and the Scheidegger Family

Visionary Leaders

PACESETTER: Members with a lifetime giving total of $500,000 or more in cash gifts to the annual fund.
DiAnne and Harold Burkemper

LEADER: Members with a lifetime giving total of $250,000 or more in cash gifts to the annual fund.
Daughters of Charity Foundation of St. Louis
Employees Community Fund of Boeing St. Louis
Suzanne and Herb Lesser

In Memoriam

Ray Grush, a dear friend and professional colleague to Youth In Need, passed away February 12, 2011. Ray dedicated his entire career to the juvenile justice and family court system and specifically Missouri’s 11th Judicial Circuit in St. Charles County. Throughout his career, Ray went the extra mile, helping to start innovative programs and always willing to serve on local and state committees that needed his expertise. Upon his death, Ray was true to form, bequeathing his retirement benefits to six charities in St. Charles, including Youth In Need. Thank you, Ray, for your service and generosity to your community.
