Mission Champions and Visionary Leaders

Commitment. There is nothing more important to the long-term stability of a nonprofit organization. And to that end, Youth In Need has created two societies to recognize wonderful supporters who have made a major investment in Youth In Need's programs by supporting the organization with their extraordinary generosity.

Youth In Need's "Mission Champions" are those benefactors who have generously given at least \$500,000 cumulatively through annual giving, capital campaigns or legacy giving (through Dec. 31, 2015). "Visionary Leaders" are those special donors who have provided cumulative financial support to Youth In Need's annual fund, totaling \$100,000 or more in lifetime giving (through Dec. 31, 2015).

To both groups, thank you for your commitment to the children, teens and families we serve and for always believing in the power of potential!
