Youth Spotlight

Thanks to Mrs. Ratcliff's Leadership Class students from Fort Zumwalt's Hope High School, who presented information about Project Safe Place to Fort Zumwalt School District Middle School students. Hope High students selected Project Safe Place as their class project because they felt it was an important program and more students need to know about it.

Congratulations to Kiarra Smith, who received Youth In Need's distinguished James L. Newman Memorial Youth Participation Award for volunteer service. Kiarra, a 2008 Orchard Farm High School graduate, started volunteering with Youth In Need last year after submitting her winning entry in the Safe Place poster contest. Since that time, she has been a devoted volunteer and advocate of the Safe Place program, donating her time and artistic talents. Although Kiarra now attends Cleveland Art Institute, she continues her involvement with Youth In Need and her enthusiastic participation and promotion of Project Safe Place.
